Board Development
Ray Arnett demonstrated the new Visualizing Funding for Libraries database which is new from the Foundation Center. The project goal is to help libraries find funding opportunities, increase understanding of funding sources, and track funding trends through a data visualization tool and capacity-building training. The database can be found at http://libraries.foundationcenter.org. The resource is free. Libraries do not have to have a Foundation Directory subscription to use this database.

Laura Ortiz from the Hastings Public Library will discuss the MCLS Library Match program at the May meeting.

Public Comment
Claire Sheridan reported that she contacted the Michigan Treasury Department to receive clarification on the check Spring Lake received for PPT reimbursement. She reported that Treasury clarified for her that her reimbursement was for the past five years.
Shirley Bruursema reminded everyone to stay on top of the federal funding legislation as it moves through Congress. ALA has the biggest turnout ever scheduled for ALA Legislative Day in Washington DC.

John Martin asked about the Lakeland notification process for network problems on Sundays when the helpdesk is not available. VanderWagen reported that Riley is migrating a version of the new text messaging service to a server on the outside of the network. That will allow staff access to the notification system when we cannot work through the internal network.

VanderWagen reported on behalf of Kelly Richards that MADL Director of Public Services, Richard Schneider will retire on April 29, 2017. There will be a party for Schneider after work on April 27, 2017 in honor of his retirement. Lakeland member library staffs are invited to attend to wish Richard well.
