

Delivery Services

Lakeland Library Cooperative coordinates the interlibrary loan of books and audiovisual materials through a centralized Delivery Service. Delivery Services provided by Lakeland facilitate resource sharing among the 40 member libraries that participate in the shared online catalog. The Delivery Staff at Lakeland are busy year-round sorting and delivering materials among the member libraries located across Allegan, Barry, Ionia, Kent Montcalm, Muskegon, Newaygo and Ottawa counties.

MelCat – RIDES Delivery

Lakeland is also a hub for Rides, which provides delivery services for the MelCat statewide interlibrary loan system. As a hub for Rides, Lakeland receives deliveries from libraries throughout the state and delivers the materials to Lakeland's member libraries on our daily delivery routes.
