To view your Dashboard, click on your username in the upper right of the screen. This will open a menu that gives you many options. The Library Dashboard will give you an overview of all information. The Dashboard will show you what you currently have on your “For Later” shelf, as well as important information like how many items you have checked out right now, how many holds you have, and if you have any fines or fees.

You can also suggest purchases from the Dashboard.
